CLAIM DETERMINATION

STATUS: DENIED

Denial Reason Code: CO-167
Denial Category: Step Therapy Requirement

REASON FOR DENIAL:

Your claim for Continuous Glucose Monitoring (CPT 95251) has been denied. Under AcmeCare Policy ACME-CGM-2024-001, authorization for Continuous Glucose Monitoring requires documented completion of step therapy protocol. Specifically, the patient must have documented trials of both a first-line oral medication (Metformin) and a second-line oral medication (sulfonylurea class agent) with evidence of inadequate glycemic control or documented contraindication before CGM may be authorized.

*This is not a bill. This is an Explanation of Benefits (EOB) for your records.
If you disagree with this determination, you have the right to appeal within 180 days of this notice.*

Phone: 1-800-555-ACME (2263) | Fax: 1-800-555-2264

Based on our review, adequate documentation of step therapy completion was not found in the submitted materials. The claim is denied under Claim Adjustment Reason Code CO-167.

YOUR RIGHT TO APPEAL

If you disagree with this determination, you or your authorized representative may file an appeal within 180 calendar days from the date of this notice. To file an appeal, please submit the following to AcmeCare Appeals Department:

1. A written statement explaining why you believe this claim should be approved
2. Any additional medical records or documentation supporting your request
3. A copy of this Explanation of Benefits
